We are so grateful to the Knights of Columbus Council 16492 of St. John Paul II Catholic Church in Ponte Vedra for including us as a donation recipient of their organization's annual Citizens with Disabilities Campaign "Tootsie Roll Drive." Their generosity will help provide scholarships for program fees and allow us to update our mounting platform!

Inclusion: Ensuring Access for Everyone

Inclusion is about offering the same activities to everyone, while providing support and services to accommodate people's differences. Inclusive organizations actively reach out to people with disabilities and seek to understand and appreciate their differences, while fostering a sense of belonging. Ultimately, the most important thing about inclusion is that it recognizes and honors the fundamental value of each person.
