Howdy Knights of Columbus,

A big yee-haw for your gift of \$2,000.00!
It's people like you that allow us to offer our programs at no cost to our participants, and we couldn't do it without you. We appreciate you partnering with us to make a big impact on our participants, their families, our volunteers and community.

Bit of Faith Ranch provides adaptive horseback riding lessons and equine assisted activities for those affected by autism and related disabilities. We also host recreational events, like movie outings, waterpark visits and social gatherings, for our participants and community. In addition, we coordinate respite activities like a monthly gathering for Moms.

We are much obliged!

Happy trails,

Tammy Romanczuk
Executive Director
