Ponte Vedra, FL 32081

Hello Mr. Falcone,

Thank you so much for your Knights of Columbus Saint John Paul II Council 16492's gift of \$2,000.00!

It's gifts like yours that allow us to offer our programs at no cost to our participants, and we couldn't do it without you. We appreciate you partnering with us to make a big impact on our participants, their families, our volunteers and community.

Bit of Faith Ranch provides adaptive horseback riding lessons and equine assisted activities for those affected by autism and related disabilities. We also host recreational events, like movie outings, ranch visits and social gatherings, for our participants and community. In addition, we coordinate respite opportunities like a monthly gathering for parents and caregivers who have loved ones impacted by disabilities.

We are much obliged!

Happy trails,
