Howdy Mr. Berry and Members of the Knights of Columbus Saint John Paul II Council 16492.

Thank you so much for the Knights of Columbus Saint John Paul II Council 16492's gift of \$2,000.00!

It's generous donations like yours that allow us to offer our programs at no cost to our participants, and we couldn't do it without the Knights! We appreciate your continued partnership with us to make a big impact on our participants and their families, our volunteers and community.

Bit of Faith Ranch provides adaptive horseback riding lessons and equine-assisted activities for those affected by autism and related disabilities. We also host recreational events, like movie outings, ranch visits and social gatherings, for our participants and community. In addition, we coordinate respite opportunities like a monthly gathering for parents and caregivers who have loved ones impacted by disabilities.

We are much obliged!

Happy trails,

Tammy Romanczuk
Executive Director

We appreciate the Knights of Columbus continued support! I am so glad you and Joseph were able to join us at the Ranch for a visit during our Mustang Learning Program! Thank you again for supporting our mission!
