

John Berry & Council 16492

Thank you again for your generous prayers and support. This will be my sixth year of formation with three years to go. This upcoming year will be my pastoral year which is a year long internship in a parish. As of now, I don't know yet where that will be but I will let you know.

Know that you and all the members of council 16492 will be in my daily prayers.

Sincerely,

George
