Hello Volunteers!

Thank you so much for volunteering at last weekend's Special Olympics Florida Northeast Region Summer Games. You were an integral part of creating an incredible experience for our athletes. We sincerely hope you enjoyed your time and found value in your volunteer roles. This was our largest regional competition of the year, and it would not have been possible without you. We are truly grateful for your time, energy, and heart. Thank you for being an essential part of our team.

A special shoutout to our amazing teams from Bank of America, Carnival Cruise, The Jacksonville Jaguars, DWS, University of Florida Sports Management, and the Knights of Columbus. Your generous donation of time and hard work made the day a meaningful and successful experience for our athletes. We appreciate your support!
